

All Together Now

Name: _____

Adults 18+: from June 1-August 18, we're challenging you to complete ten activities to earn a chance to win a grand prize! Ten lucky winners will receive a tote bag containing a copy of this year's Go Big Read title, as well as some other goodies. **Turn in your grand prize entries by 5:45pm on Friday, August 18.**

Earn a grand prize entry just for picking up this log. You'll earn your second entry for completing five of these activities, and a third entry for completing ten.

Give back to the community with your reading this summer! For every adult who completes ten activities, the library will donate one book to a Stoughton resident in need.

These tasks are designed to help you learn more about your library. Check our displays on the Mezzanine level and by the elevator on the top floor to find books that fit these challenges. Don't know where to find something or how to complete a particular activity? Ask library staff for help!
