How to Sign Up for a Beanstack Account on the Website: 1000 Books Before Kindergarten

1. Visit stoughtonpublic.library.beanstack.org and click "Register an Individual or Family."
    a. If you're a daycare teacher, camp leader, etc. notice there is a "register a group" option. Contact abosky@stolib.org if you need help setting up a group account to track reading for multiple participants.
2. Choose "I'm an adult registering a child."
3. Input your first and last name, pick a username, enter your email and/or phone number, enter your ZIP code, and select a password. **(Please enter at least one contact method so we are able to communicate with you if needed.)**
4. Choose your age (18+ for adults) and select "not applicable" for your school.
5. If there are any Adult challenges currently available, such as the Summer Library Program, you will receive the option to register for them. This is a great way to win prizes like free books, book-themed tote bags and travel mugs, or sweet treats.
6. Add your child or children ages 0 to 4 ½. For homeschooled students or children not yet in 4K, choose "Not applicable" under "School."
7. Once you have everyone registered, check out the "How to Log Books" tutorial!
